

The Living Room

**Celebrating Women
May 3 | Balletto Winery**

More than an event, this will be a shared experience!

Spend an afternoon in the vineyards with live music, lawn games, laughter, and a curated auction, all complemented by incredible food from Stark's and Balletto wines.

Celebrating Women is about showing up, for the women rebuilding their lives, and for the community that stands with them.

Join us for a gathering rooted in connection, purpose, and shared impact.

Every ticket directly supports women and children at The Living Room.

Tickets are \$125. Space is limited.

Our silent auction opens online soon, with bidding available both at the event and virtually.

Our first Living Legacy Circle gathering was a beautiful success

Living Legacy Circle

A group of 12 dedicated supporters joined us at Jordan Winery & Estate for an afternoon of wine, connection, and conversation. Guests heard from our dynamic leader, Alethea, board member and legacy donor Marion Weinreb, estate planning attorney Ruby Steinbrecher, and financial planner James Pardieu.

The feedback was overwhelmingly positive—thoughtful, engaging, and deeply meaningful.

We're grateful to everyone who joined us for this special first gathering.
